3 directions

Kostka

Izometrická kostka se stěnami rozdělenými na tiskové vrstvy: 3D tisk v jednom tvaru.

Kostka v dlaždici

Kostka vyříznutá z dlaždice: ikona appky, profilovka i nálepka na krabičku.

Tisk běží

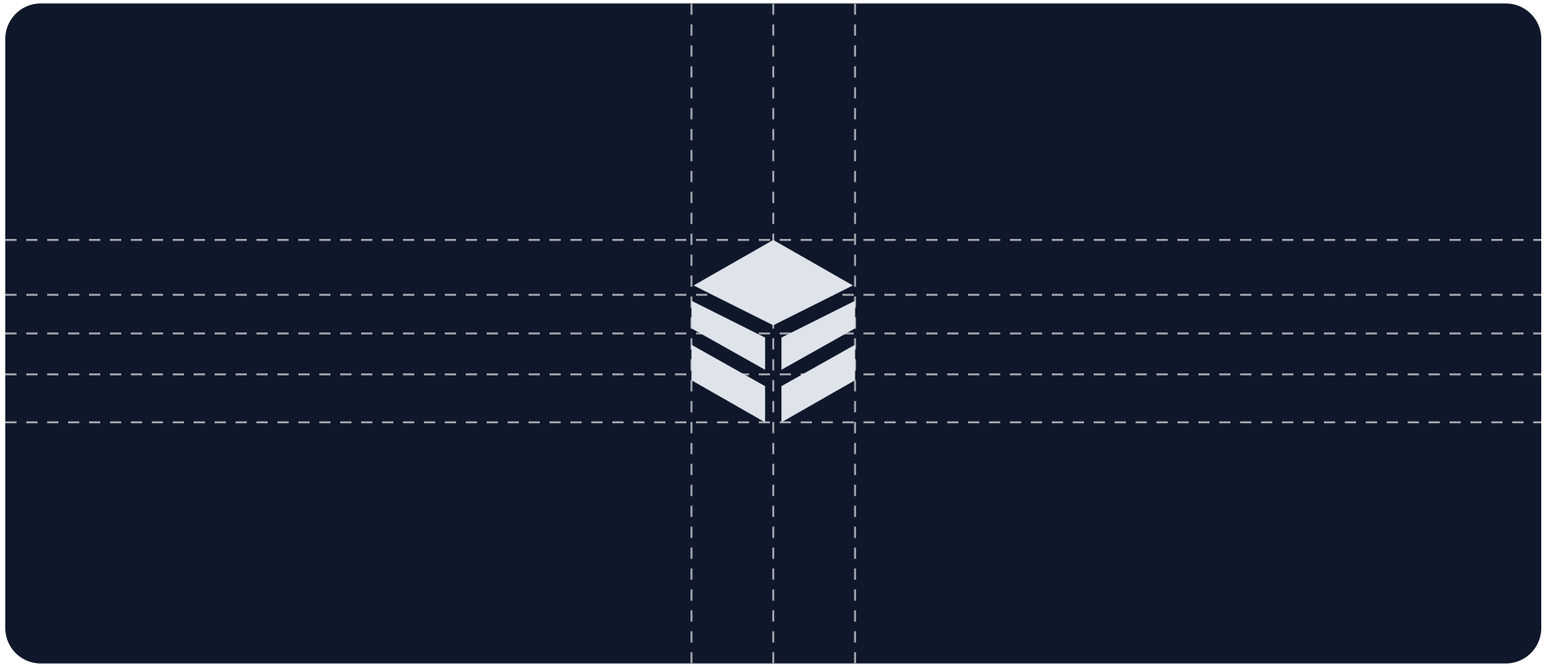

Horní vrstva se právě dotiskla a vznáší se nad kostkou: z nápadu vzniká věc.
